To Those in Quest of A RUG...

To Intending Purchasers
of Rugs we would state that just before the change in tariff we received a large and varied assortment of

Japanese Rugs

By purchasing these Rugs before the change, a saving of about fifty (50) per cent. was effected, which our customers are to profit by, as we do not intend, at present, to increase the price but will sell them, while they last, at the old figure.

Under these conditions, a buyer here can now purchase these Rugs for much less than they are sold for on the mainland.

We have made a display of these Very Handsome Rugs in our large, central show window, where their beautiful designs and harmonious coloring is sure to attract attention.

ANSWER OF THE WAILUA AGRICULTURAL COMPANY.

SAYS WAILUA SUGAR COMPANY HASN'T A CLEAR TITLE TO LEASES.

The Complicated Case of Seven Undivided Ninth Parts of Valuable Land Is Again in Court.

To the laymen the following pleadings will unquestionably appear as badly mixed as the heretofore cordial relations existing between bench and bar, while to the student of the Penal Laws of 1897 they will appear as transparently clear as a grand jury report.

Defendant in the case of the Wailua Sugar Company, Ltd., plaintiff, vs. Wailua Agricultural Co., Ltd., defendant, has filed its plea in abatement, setting forth that the plaintiff has not a clear and undisputed title to the leases named in the bill of complaint, upon which plaintiff alleged right of title depends; that the defendant denies that the plaintiff is entitled to seven undivided ninth parts, or to any part of said premises; and defendant further shows that as to six ninths of the seven ninths interests in the land named in said complaint there is now pending a suit in court, a suit in equity, brought by Benjamin F. Dillingham, under whom the defendant claims, against H. Holt, James R. Holt, Jr., George H. Holt, E. S. Holt, Annie K. Holt, Chris. J. Holt and John D. Holt, under whom said defendant claims, and with whom plaintiff is in privity, for the specific performance of a contract made by them, which contract by its terms gives the defendant herein the right to have a lease of the interest of said parties in said land; that the plaintiff herein claims with notice of said contract under one John Emmeluth that Emmeluth claims under the defendants in said suit for specific performance and under one E. S. Holt, and holds such rights as he has with full knowledge of defendant's right under the contract aforesaid; that this suit for specific performance has proceeded to a point where answers have been filed, and the same is now in order for hearing.

Wherefore defendant prays the judgment of this honorable court whether it ought to make further or other answer to said bill of complaint until said dispute as to the title held by the plaintiff in said premises is settled.

BRYAN WOULD INJURE SOUTH.
Eckels Writes on the Damage His Election Would Do.
BALTIMORE, Aug. 9.—Richard H. Eckels, editor of the Manufacturers' Record, is in receipt of a letter from the Hon. James H. Eckels, comptroller of the currency under President Cleveland's administration, and now president of the Commercial National Bank of Chicago, defining his position in the presidential campaign. Mr. Eckels says in part:

"All that Mr. Bryan stands for is the interest of every inch of the South not less so than every interest of the North. His insistence upon the debasement of the country's currency in the face of existing conditions evidences his determination to take a backward step wherever possible to do so. I do not believe he can be elected. He ought to be beaten so emphatically as to make it impossible for such a candidacy to be tolerated by a great political organization."

GERMAN REPUBLICAN CLUBS.
Active Work For McKinley Among the Sons of the Fatherland.

CHICAGO, Aug. 10.—Dr. Edmund Markbreiter of Hyde Park will leave on Sunday night for East St. Louis to organize the German Republicans into McKinley-Yates Republican clubs, and from there he will go to Belleville and other places in the Twenty-first Congressional district, where similar clubs will be formed.

This is done at the earnest request of Congressman William A. Rodenberg, who believes he will have a hard fight for re-election this year. After finishing the work of organization in the Twenty-first district, Dr. Markbreiter will return here and then go into Ohio, Indiana and the Middle Western States, where he will organize German-American Republican clubs for the national committee. He did similar service for the national committee four years ago.

HARMONY LODGE'S DANCE.
Rebekahs Give a Dance in Honor of Their Brothers.

A dance was given last evening at the Harmony Lodge, I. O. O. F., in honor of the gentlemen of the order. The dance was given by the Rebekahs. The Hawaiian Quintette club furnished the music. Everyone danced till a late hour in the evening, enjoying themselves to their heart's content. Refreshments were served and everything went off nicely. The ladies were highly complimented on the success of their entertainment.

A Minister's Good Work.
"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'No.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured. I think it the best medicine I have ever tried." For sale by all dealers and druggists. Dumas, Smith & Co., general agents, Honolulu Territory.

Of Interest
to the Ladies...

Few women care for the hair as they should. When the hair begins to come out they are alarmed. It would be much better if they give it more attention when it is in a healthy condition. The first requisite in the care of the hair is a GOOD TONIC. Just the kind we keep. Our Hair Tonic will kill dandruff. Stop the hair from falling out. Cure itching of the scalp. Make the hair soft and glossy. It keeps the hair and scalp in a healthy condition. Try a bottle and give it a trial.
